LEADERSHIP EXPERIENCE

MARCH 2023 - JUNE 2023

TEAM LEADER

PHYSICS DEMONSTRATION PROJECT

Worked in a small-sized team as a team leader, I was responsible for setting up meetings, getting material, and writing the report. I spearheaded the whole project and we managed to achieve 71% for the project.

JANUARY 2021 – DECEMBER 2021

PART OF THE REPRESENTATIVE COUNCIL OF LEARNERS

As part of the council, I was responsible for keeping order in the school and upholding myself in good conduct. My fellow schoolmates and teachers were pleased with my work and I was able to maintain my position for a full year.
