SUMMARY

I am a confident young professional with a passion for learning and development. I am eager to leverage education and training in the technology space to support the growth and success of a high-performing organization. I am committed to continuous improvement and driving team success.

SKILLS

Time Management	Proficient in HTML, C++ and CSS	Strong interpersonal skills
Team Leadership	Critical thinking skills	Proactive and self-motivated
Problem-Solving skills	Excellent communication skills	Exceptional organisational skills

LEADERSHIP EXPERIENCE

University of Pretoria

Mar 2023 - Jun 2023

Team Leader

Worked in a small-sized team as a team leader, I was responsible for setting up meetings, getting material, and writing the report. I spearheaded the whole project and we managed to achieve 71% for the project.

Jules High School

Jan 2021 - Dec 2021

Part of the representative council of learners

As part of the council, I was responsible for keeping order in the school and upholding myself in good conduct. My fellow schoolmates and teachers were pleased with my work and I was able to maintain my position for a full year.
